

BARNETT

ANGUS RANCHES

If bulls don't work
FOR YOU
they don't work
FOR US!

As a registered Angus seedstock supplier, Barnett Angus Ranch embraces the challenge and opportunity to understand the complexities of beef cattle production, regardless of geography, and produce Angus cattle that fit those diverse environments. The intentional development, the cornerstone of our program, is every commercial cow-calf producer's assurance that if a bull doesn't work for you, he doesn't work for us!
